Scorecards

Please submit League scorecards via **Webcard**.
Webcard is described below.

If you have no access to the Internet, cards coming in by post are still acceptable.

Webcard is easier to use because you pick team names, players and game scores from lists rather than typing text. Being on the Web means you don't have to install anything on your computer.

Webcard is easier for the League administrators, too, because the input is less likely to contain typing and spelling errors.

You can find a link to **Webcard** on the League's home page at:
<http://www.winchestertabletennisleague.hampshire.org.uk>

Call Martin Healey on 01962 860863 if you have any difficulties.

Any player wishing to transfer from one club to another in after the start of a full season must make written application to the Honorary League Secretary, and the Executive Committee shall have the power to authorise such transfer, or otherwise, after considering the views of the club for which the player is registered. No club may sign a player for a particular team after 75% of that team's fixtures have been completed in each half season, except in exceptional circumstances at the discretion of the Executive Committee.

4. A club must grade its teams in order of merit at the start of each full season, i.e. The 'A' team must be the Club's strongest team. Players shall be registered for one team in a club. A player must not play for a lower lettered team except that a player initially registered with one team in a club may, at the discretion of the Executive Committee, be demoted and re-registered for a lower lettered team providing:

9. If a team withdraws from the League before fulfilling its fixtures, the record shall be deleted from the League Tables.

10. Matches must be played on the dates specified in the fixture list, except that a match may be brought forward by mutual consent between the teams concerned. The teams are required to inform the League Secretary who cancelled the match. The offending team will automatically be deducted 3 points (when the match is not brought forward). All cancelled fixtures must be played within 14 days of the scheduled date or by the final week of each half season, whichever is the sooner. It will not be allowable to play fixtures after the final scheduled week of each half season. Failure to comply with these provisions will result in 10 points being awarded to the non-offending team. It should be noted that the team which cancels in the first place is at risk of losing the 10 points even if it is their opponents that cancel any subsequent rearrangement. In the event of a team being unable to fulfil a fixture, they shall give their opponents a minimum of 48 hours notice. If a team fails to arrive for a fixture and the opponents have not previously been notified then the team may forfeit the points and will be fined a minimum of £1.00 at discretion of the Executive Committee. In the event of no notice of postponement or notice of re-arranged date being received by the League Secretary the match may be declared void. Any team wishing to appeal against any of the circumstances detailed in this regulation should do so in writing to the Executive Committee.

The bottom team in each division will be relegated at the end of each half season.

15. At the end of each season the winners of each half season for a particular division will play off for the divisional trophy, with the play-off winners receiving the trophy for the divisional winners; no trophies will be awarded to the runners-up. This play-off will take place at a neutral venue unless otherwise agreed
